#redux_toolkit

#redux_saga

#git

#mui

#styled-components

#firebase

#webpack

#responsiveness

#agile

#chrome_devtools

#github_action

About

I'm a Front-End Developer living in HCMC, Vietnam. I enjoy playing with UI, logic, problem solving and making useful applications. I also love collaborating with people around the world. Could be a good teammate or an independent worker. Away from the computer, I'm a fan of travelling, manga, Westlife and Real Madrid. :)

Experience

Freelancer

Feb 2024 - Present
